CIRCULAR TO PARENTS

Welcome to Second Term

School Reopens on 5th September 2017

Dear Parent,

Come September, and it's time to restart, recharge and regroup for a fresh start! We look forward to the newfound energy that you bring forth after the well spent break. A warm welcome to all- parents, teachers and children of TIA - Dubai.

At the outset, our thanks go to all those parents who contributed to success of summer reading program and helped raise Lexile score of their wards. Others who could not do so, can join in now. It's never too late to start working on a skill that all students need to become lifelong learners. So, do log on and enjoy the world of books brought to you by MYON.

We are pleased to inform you that the DSIB (Dubai School Inspection Bureau) will be with us from Monday, 25th September 2017 to Wednesday, 27th September 2017. We request to extend your support and cooperation with the school team especially in terms of student attendance and punctuality and also with the KHDA Survey (Links will be shared shortly on Edmodo).

As a step towards improving services, our Transport services have been outsourced to GPT. A letter with detailed information is attached for your detailed reference. For transport queries, please feel free to contact Mr. Vincent Kal D'Souza on 04-2646733 Extn: 116.

Warm regards,

Jwairia Saleem
Principal
