CIRCULAR TO PARENTS DSIB 2017 INSPECTION REPORT & SURVEY

Dear Parent,

It is with great pleasure that we share with you the DSIB 2017, Inspection Report released by the KHDA, that rates the overall school performance as GOOD.

It has been very motivating to see our efforts towards school improvement bear fruit and we are now beginning to see the impact. While we are aware that improvement is a journey and the challenges continue, such recognition helps to keep the team working hard and boosts their moral.

Once again, my sincere thanks to all parents who helped us in achieving success – but the biggest thanks goes to our students who are so eager to learn and have begun to show great self-discipline and self-reliance; May they be blessed always with knowledge and wisdom to use it well for their own and others' benefit.

In pursuit of excellence and an ongoing effort to better our provisions, we would appreciate your spending time on giving online feedback- based on your personal experiences.

Do note that this is solely for the purpose of our internal audits to guide our action planning. The questionnaire also asks your feedback on extent of improvement from last year in each area. New parents need not fill-in the feedback for last year.

Ms Varda, our Admin Manager, who has recently joined the TIAD Admin team, will follow up on this.

Looking forward to your response, latest by the end of February,

Warm regards,

Jwairia Saleem
Principal
