Dear Parent,

The holy month of Ramadan is one of the most reflective times in the Islamic calendar. It is a period of fasting, giving, sharing, devotion, generosity and sacrifice observed by Muslims around the world.

Ramadan connects people and helps one introspect and reach out to others in acts of kindness and charity.

We request you to send in your contributions of non-perishable food items, bags, clothes (washed, ironed and packed neatly with the label of the age group intended for), stationery and **unused medicines** with the display of expiry dates, which will be contributed to the Al Ihsan Charity Association, Ajman, after a thorough medical examination by a hospital.

Looking forward for your continued support.

May the spirit of Ramadan illuminate the world and show the way to peace and harmony.

Warm Regards,
