Background

The Indian Academy, Dubai is a CBSE school with English as the language of instruction. We are an inclusive school and our admission philosophy welcomes inclusion where students of varied learning disabilities are welcomed, if the school has the ability to support their special educational needs.

Our school's mission aims at the total development of each child; spiritual, moral, intellectual, social and emotional and physical in line with the aim of developing an active and creative mind, a sense of understanding and compassion for others and the courage to act on their beliefs.

Admission Process: New Students

The Indian Academy, Dubai (TIAD) accepts registration at all times during the school year through our Admissions Office. The School's Registrar admits students of any nationality (other than Arabs) and curricula up to 31 March. Beyond this date, only students studying in Indian curriculum schools and who demonstrate that they will successfully cope with our academic programme and contribute positively to the school are admitted.

At the start of the academic year, the School Principal, Senior Leadership Team and Faculty meet with parents and students for a detailed orientation.
