Policy Reviewed - March 2025
Date of Next Review- March 2026

In compliance with the recently published Dubai Inclusive Education Policy Framework 2017, we, at The Indian Academy, Dubai is strongly obligated to inclusive education promoting highly inclusive ethos.

The admission procedures laid down by the Ministry of Private Education are strictly adhered for all admissions including Students of Determination. In accordance with the Executive Council Resolution No (2) of 2017 regulating Private Schools in the Emirate of Dubai, Article 13 (16), we treat all our students fairly and do not discriminate against them on grounds of nationality, race, gender, religion, social class or special ability needs of students.

Our school Admission Policy is clear and obvious for all parents, staff and students. The parents seeking admission for their wards register online on the school's website. The availability of vacancy in the grade for which they are seeking admission will be notified by the school. We admit and retain students with varied education needs and disabilities (with or without medical diagnosis) as long as he/she stands to benefit from his/her engagement in school in both educational and social/life skills. Our inclusive school culture ensures the safety and security of the Students of Determination as well as the other students is as the top priority as far as admission and retention are concerned. We also ensure 'Sibling priority' is agreed to all students of determination who choose to study in our school.

At TIAD, all staff work together to ensure the inclusion of all pupils. We, as a team are committed to ensuring that Students with Determination learn and achieve in a safe, conducive, caring and suitably challenging common learning environment.
